

ReaDI-Watch at Canadian Fintech Summit 2024

12/04/2024 1:57 pm IST

The Canadian Fintech Summit is an annual gathering of Fintechs, Investors, Enterprises, Financial Institutions, AI enterprises and Service providers from around the world to learn, engage and build relationships.

The focus of the conference is based on Fintech 2.0: the embedding of Financial products and services in applications and programs that people and businesses use everyday. This year, CFS2024 added another focus; Generative AI + Fintech = the power to change the world.

ReaDI-Watch returns for CFS 2024

After competing in the Pitch Battle on stage last year, Dave (CEO, ReaDI-Watch) returned to learn about the latest trends in Fintech, the power of Generative AI, and to engage with the Canadian Fintech Community.
