

ReaDI-Watch at Engineers Ireland 2024 AGM

30/05/2024 9:11 pm IST

ReaDI-Watch participated at the Engineers Ireland 2024 Annual General Meeting in Ballsbridge in Dublin.

Prof. Gerry Byrne, ReaDI-Watch's Chief Scientific Officer, is a Past-President and active contributor to Engineers Ireland. At ReaDI-Watch, we offer online, Engineers Ireland accredited CPD programmes for Innovation and R&D - for Engineers.

Prof Gerry Byrne (CSO, ReaDI-Watch), with Dr. Edmond Harty (President, Engineers Ireland) and Mr. John Jordan (VP, Engineers Ireland) at the 2024 Engineers Ireland AGM

About Engineers Ireland

Engineers Ireland is the voice of the engineering profession in Ireland. 25,000 members make up a community of creative professionals delivering sustainable solutions for society.

Engineers Ireland offers Professional Memberships, Accredited Continuous Professional Development Programmes, Employment Services, Training & Development, Student Memberships and a STEPS programme for young Engineers.
