

IRDG Funding Innovation 2025: Expert Insights & Stories

11/11/2025 5:14 pm GMT

The IRDG Funding Innovation 2025 event brought together Ireland's leading voices in R&D and innovation funding, offering expert insights, real-world experiences, and direct access to the agencies shaping Ireland's innovation landscape.

The event focused on how businesses can maximise external funding and accelerate innovation through support ranging from R&D grants and partnerships to tax incentives and industry collaborations.

IRDG Funding Event Nov 2025 - Imelda Lambkin, Imelda, DTIF Team,
Enterprise Ireland

Representing ReaDI-Watch, Dave Byrne (CEO) attended the event to connect with Ireland's innovation community, including Enterprise Ireland, IDA Ireland, Taighde Éireann - Research Ireland, and the IRDG team.

Speakers shared practical insights on programmes such as the Disruptive Technologies Innovation Fund (DTIF), Innovation Partnerships, and Green Start & Plus, with real-world case studies highlighting the power of funding to drive growth.
